Short Description

The candle for attracting the energy of the guardian angel

Description

A totally pure, non toxic, clean burning, cotton wick energy candle with only natural essential

oils. This is the candle for the support, care and protection your guardian angel. It's energy is like a

prayer which is targeted towards your own guardian angel asking for blessing and help.

Noble and gentle Guardian Angel quintessence is suffused and uplifted with juniper flavor and

complemented by the warm marjoram, rosemary and bergamot notes.

In the box tied up with a silk ribbon, you will find a scented parchment "for attracting the energy of

the guardian Angel" and a description book.

100 % natural soy bean wax, dermatologically tested;

100 % cotton wick;

natural essential oils;

burn for more than half the time a normal paraffin candle does;

does not contain particles of oil or toxic substances that could negatively affect health while

burning.

150g ± 20g Average candle burning time: 60 hours.

Dimension: ø6,7cm, H 8 cm

Do not leave the burning candle unattended. Do not place near flammable objects. Keep out of the reach of children and animals. Due to the handmade nature of our products color, smell and weight may slightly vary.
